The Office of the Victim Advocate

Contact Information:

<http://www.pbpp.state.pa.us/ova/site/default.asp>

Board of Probation and Parole

1101 S. Front Street

Suite 5200

Harrisburg, PA 17104

Phone: 800.563.6399

The Office of the Victim Advocate was created by the Victim Advocate Law, Act 8 of the 1995 Special Legislative Session on Crime. The purpose of the Victim Advocate is to represent the rights and interests of crime victims before the Board of Probation and Parole and the Department of Corrections. In addition, the Office of the Victim Advocate also provides notification to crime victims of the potential for inmate release and opportunity to provide testimony, notification of the inmate's movement within the correctional system, referrals for crime victims to local programs, basic crisis intervention and support, general information on the status and location of the inmate as allowed by law, and notification of the expiration of an inmate's maximum sentence or date of execution, if applicable, as well as preparation of a victim who chooses to witness an execution.

The Office of the Victim Advocate offers several programs to assist victims of crime. These include:

The Mediation Program for Victims of Violent Crime provides an opportunity for Victims of Violent Crime to meet with their offender, express their feelings directly to the offender, and to ask questions that have never been answered. It provides an opportunity for victims to regain power or "say what needs to be said." It also gives the offender a chance to tell his/her story and to accept responsibility for the crime. This may be the first time that both the victim and the offender have engaged in a dialogue about the offense with each other. A face-to-face meeting is an opportunity for the offender to recognize the real person they have hurt.

The **Address Confidentiality Program (ACP)** is another of the programs administered by the Office of the Victim Advocate to assist victims of domestic violence, sexual assault or stalking.

The program has two basic parts. First, the ACP provides a substitute address for victims who have moved to a new location unknown to their perpetrator. The second part of the program provides participants with a free first-class confidential mail forwarding service.

Victims of domestic violence, sexual assault, stalking, and persons who live in the same household as a participant may apply. ACP will determine if a victim meets eligibility. The ACP is not for everyone. A victim service professional from a domestic violence, sexual assault or a victim service program can help determine if ACP is right for a victim as part of their safety plan.

Restitution is a court-ordered financial obligation that can be in the form of out-of-pocket expenses, loss of earnings, and/ or property loss.

If you wish to receive restitution, you must submit your information, including medical bills or receipts, etc., to the District Attorney's office prior to sentencing. At the sentencing hearing, the District Attorney will ask the Judge to order restitution. In Pennsylvania, as restitution is mandatory, the Court must order restitution.
