2020-2021 HIGHLIGHTS

Financial Highlights

We are extraordinarily thankful for the generosity of local business, churches and community members who continue to support HAVIN. Your support is essential in helping us to provide supportive services and advocacy to victims and survivors.

Leadership Highlights

November 30, 2020 saw a change in leadership at HAVIN for the first time in almost 20 years. Jo Ellen Bowman retired as Executive Director, continuing on as Kay's Cottage Manager. Laurie Johns was appointed the new Executive Director after having worked at HAVIN since February of 2000 in many different capacities.

for victims in Armstrong County!*

A Note from the Director

We are all still trying to find the best ways to navigate through the impact of COVID-19. Even during these trying times, HAVIN has continued to provide essential services throughout the pandemic. I am so proud of HAVIN staff's dedication and commitment and we are honored to provide services to those impacted by domestic violence, sexual assault and child abuse. We are always looking for more community involvement. Volunteering at HAVIN or the 2nd Chance Shop; requesting a HAVIN speaker/program for your organization or classroom; hosting a donation drive; or making a monetary donation are just some of the ways you can help us make an impact.
